AUST

A hand-drawn illustration in black ink on a white background. The central focus is an oval shape containing the word "AUST" in a simple, sans-serif font. The oval is surrounded by a dense, textured area of scribbles and hatching, suggesting a landscape or a field. To the right of the oval, there are several small, stylized figures or shapes that appear to be walking or standing in a line. The overall style is sketchy and expressive, with varying line weights and textures.
